

# Employees in *Motion*

A GLOBAL WORKPLACE WELLNESS MOVEMENT

**Employees in Motion: A Global Workplace Wellness Movement** is a Kelly Wellness Consulting Inc. (KWC) global initiative to recognize employers' efforts in creating healthy and productive workplaces.

This movement is intended to reinforce the importance and benefits of:

- creating healthy, vibrant and productive work cultures
- developing *Forward Thinking – Forward Moving* employees/organizations
- global learning and growth opportunities that enable the expansion of workplace wellness initiatives across all corners of the globe

**Employees in Motion** recognition will be awarded to employers having:

- participated in KWC's Workplace Wellness Ambassador Certification Program (WWAP)
- initiated the development of healthy workplaces through WWAP program participation

Employers earning this designation will be recognized by way of:

- **Employees in Motion** certificate that when displayed, will serve to foster continued workplace wellness efforts by employees and employers
- KWC's **Employers in Motion** website database
